

Important Instructions

- Students will have 30 seconds to set up
- Students will have 4 minutes to present their final deliverable
- Students will have 30 seconds to take questions from the audience.

Students are required to be present only for their group's time.

In addition to presenting, each student is required to ask at least 1 question during the duration of their group's presentations. Questions should be directed as if they are a core stakeholder for the presenters project deliverable.

Prior to the presentation period, students should make sure they are able to connect to the presentation setup in the classroom. Each student is responsible for presenting their own materials! If you are unable to present your screen, you will not be able to present and will lose points
